May 24 Topic: A PATH OF "PRESENCE" INFUSED WITH CONTENTMENT AND JOY

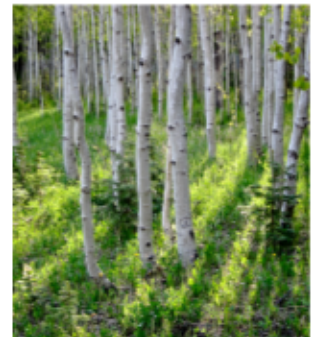

We will explore some of the roots of how the mind/heart is developed through the Buddha's teachings and practices towards cultivating a clear and unfettered presence, contentment and joy.

May 31 Topic: THE CONCEIT OF "SELF"

It is the conceit of "self" that usurps the power and the vitality of being fully present. We will explore how this happens experientially on a number of different levels along with continuing to practice "presence" in a simple and deep way.
