

**The Mountain Hermitage COVID 19 PROTOCOLS AND  
WAIVER OF LIABILITY AND AUTHORIZATION FOR MEDICAL TREATMENT  
December 2023**

- 1) All participants (retreatants and staff) have to provide proof of vaccination. If you experience any cold symptoms the week before the retreat, please let me know.
- 2) All participants (retreatants and staff) have to wear an N-95 (or KN-95) masks when in an indoors group setting (except when eating/drinking), during shared yogi jobs, during practice meetings with the teacher, and during any interactions with another participant.
- 3) All participants (retreatants and staff) have to get a Covid 19 test within 72 hours of arrival at retreat to show a negative test result. A PCR test is preferable and accurate, but an at-home test is permissible.
- 4) All participants (retreatants and staff) have to purify hands (or wear disposable gloves) before: entering the meditation hall; dining hall; the kitchen; the teacher's practice meeting space; and using the 24/7 hot beverage "station." There will be ample locations to purify one's hands.
- 5) All participants (retreatants and staff) have to observe the 6ft safe distancing protocol
- 6) Re 6ft safe distancing, we have figured out how to ensure this to the best of our abilities in the meditation hall and in the dining hall.

A) There will be 2 HEPA UV air purifiers in the meditation hall, 2 in the dining hall, and 1 in the space where the teacher will do his/her/their practice meetings.

B) For the Dhamma Talks & Group Sits with Instructions/Reflections, people will have to sit, not only in the meditation hall, but also spread out into the lobby and dining hall areas. The teacher will be wired for sound which will be amplified.

C) For the Group Sits without instructions/reflections, people can opt to sit in his/her/their own rooms or outside if weather permits.

D) For meals, the dining area is large enough to allow people to sit 6ft or more apart. We will have 1 meal time but participants will have to follow the 6ft safe distancing rule when getting food. Depending on the weather, people can also eat outdoors. People can also eat in his/her/their own rooms.

E) We will have our usual "buffet" line for meals but we ask that you maintain 6ft safe distancing and that you purify your hands before taking your plate and food. We will not use our usual "car wash" style of pre-cleaning dishes. We will pre-clean our dishes using either paper towels or disinfectant wipes. Crockery and cutlery, pots and pans, will be sanitized after each meal using the kitchen sanitizing machine. Kitchen towels/sponges will be changed after each meal. Washing/Sanitizing of kitchen towels/sponges will be done every 2 days.

F) Shopping for groceries and supplies will be done by one person (admin staff) to limit the cook's and retreat manager's exposure to the general public. **With this in mind, please make sure you bring what you need (toiletries, medications, etc...) to help keep the number of special shopping requests to a minimum.**

8) We will continue to have most of the "yogi jobs" but there will be no more than 2 people per job. So lunch clean, for example, will have 2 people on it, to ensure proper safe distancing. We would prefer it if people doing yogi jobs would also wear gloves and we will have ample disposable gloves.
